Portland's Hotel deLuxe

Portland said its goodbyes to the Hotel Mallory in January, and now the space (729 SW 15th) is undergoing an \$8 million renovation. The Hotel deLuxe—due to open in May of this year—is the sister hotel to Hotel Lucia in downtown Portland.

To understand the aesthetic of the new luxury hotel, think 1940's Hollywood glamour. There will be 130 rooms featuring amenities such as supersoft beds and linens, MP3 listening stations, high-speed wireless Internet, and Gilchrest & Soames bath products.
