Here it is, gents. A handy guide to giving the women in your life more than just flowers for Valentine's Day. (Though roses are always appreciated.) We encourage you to get creative this year, and think outside the Hallmark box. (And as always, keep it local.) From exceptional dining experiences to spa treatments, chocolate packages, concerts, girly accessories and even a workout class, choose just one idea from this list and she'll think you've been planning her present for months!

8 All You Need is Love...

At the Hollywood-film inspired Hotel deLuxe, they believe a little chocolate helps with their "My Chocolate Valentine" package, starting at \$223. It includes glamorous overnight accommodations, a box of Double Chocolate Chews, a Rose Bouquet, and a bottle of Oregon Pinot Noir upon arrival. Continue to indulge with a gift certificate to Cacao—another Portland favorite—for delicious yet elegant sipping chocolate which will perfectly prepare you for the included delectable meal at Gracie's Restaurant. After all that, jump-start the next morning with Stumptown Mochas.
